

## Goddess Chakra Archetype Affirmations

Today and every day, I feel the healing power of  
the Goddess flowing through me.

Today and every day, I feel the divine wisdom of  
the Goddess filling my body, mind, and spirit.

Today and every day, I feel the divine wisdom of  
the Great Mother Goddess filling my body,  
mind, and spirit. She is helping me to  
make the best choices possible.

### 1st Chakra~ Kali Ma

Kali's esoteric attributes are passion and physical and transformative energy. Be alert to those who undermine your self-confidence - Kali is here to hurl your life onto a new path that will ultimately prove to be more fulfilling than your current path.

According to ancient Hindu tradition, Kali is the mother of us all. Kali is often depicted as a bloodthirsty harbinger of destruction, but this is so that through death we can experience the wonder of rebirth.

Hence, when our lives seem as though they are out of control, this is Kali telling us that we have not chosen the right path. Through Kali's strength, we are forced out of complacency and fear to find the right path for ourselves.

ENERGY CENTER LOCATION: Spine center (Base of Spine)

COLOR AND ACTIVITY: Red - Survival, Primal Fire/Life Force Essence, Pure Energy and Vitality
